## NO CHILD LEFT INSIDE

Studies have indicated child obesity rates continue to rise nearly tripling in 30 years! Since 2009, the Bucks County Recreation Council (BCRC) has been working to increase awareness of the importance of involving children in outdoor activities. The Coalition's goal is to get children outside playing so they can benefit from all the wonders of nature.

Being a member of the BCRC the Newtown Township Parks & Recreation Department shares in promoting this initiative by offering many outdoor programs throughout the year. To take part in some of these great outdoor activities such as Golf, Flag Football, Leprechaun Hunt and Baseball visit us at <http://www.newtownfun.com>.
